REPORT OF INDEPENDENT ACCOUNTANTS

Token Holders of
LD2, LLC

We have examined the Schedule of Vault Silver Holdings (the "Schedule") as of December 28, 2018 for LD2, LLC based on the measurement and disclosure criteria set forth in Note B to the Schedule. LD2, LLC's management is responsible for the Schedule. Our responsibility is to express an opinion on the Schedule based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Schedule is presented in accordance with the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the Schedule. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making an assessment of the risks of material misstatement, the practitioner considered and obtained an understanding of internal control relevant to the subject matter in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, no such opinion is expressed. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our procedures tested for the existence of the Vault Silver Holdings, however procedures designed to test the quality of the silver would lead to damages to the coins and therefore were not performed. See management's procedures for the procurement of silver in Note C.

In our opinion, the Schedule of Vault Silver Holdings as of December 28, 2018 is presented in accordance with the measurement and disclosure criteria as set forth in Note B to the Schedule, in all material respects.
