## Independent Accountant's Report

Token Holders of  
LD2, LLC

We have examined the Schedule of Vault Holdings (the "Schedule") as of December 14, 2022 for LD2, LLC based on the measurement and disclosure criteria set forth in Note 2 to the Schedule. LD2, LLC's management is responsible for the Schedule. Our responsibility is to express an opinion on the Schedule based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Schedule is presented in accordance with the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the Schedule. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our procedures tested for the existence of vault holdings; procedures designed to test the quality of the holdings would lead to damage to the coins and therefore were not performed. See management's procedures for the procurement of silver in Note 3.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the Schedule of Vault Holdings as of December 14, 2022 is presented in accordance with the measurement and disclosure criteria as set forth in Note 2 to the Schedule, in all material respects.
